

PURE EDM LICENSE AGREEMENT

The copyright of Pure EDM's products, and any sounds, samples, loops, MIDI files, sequencer projects and/or audio demos they include, is retained by Producer Loops Limited (T/A Pure EDM), but is licensed to the original purchaser, for use in their own personal commercial and non-commercial releases. Only an original purchaser of this product has the legal right to use this product's contents within their own "original" musical releases and/or in advertisements, soundtracks, and television or film productions. All rights not expressly granted to the user are reserved.

A purchaser of this license may use the contents of this product in their own commercial and non-commercial compositions, providing their name appears in the "credits" for the work used which incorporates an element of this product. Proof of purchase may be requested (subsequent to a release which uses one of our copyrights) to prove you had the legal right to release the work that includes one of Pure EDM's licensed copyrights, at the time of release. The proof of purchase must show that the purchase occurred *before* the release of the music that includes Pure EDM's copyright, or legal action will be taken to recover an adequate portion of the publishing and royalty income. Any remixer of the track you create which uses Pure EDM's copyright(s) will also need to purchase a license prior to the release, as our license is non-transferrable.

The contents of this product may *not* be used (wholly or partly) in the creation of any competitive product, including, but not necessarily limited to, Sample Packs, Sample CDs, Sample DVDs, Virtual Instruments, Expansion Packs, Production Music, Library Music, App Contents, or any other collection, in any format, or in any product that would involve the re-licensing of Pure EDM's copyrights, without (taken out our) permission.

The contents of this product are not to be used "isolated" in your musical works. They must be used within the context of a musical piece mixed with additional parts. Any audio demos are provided as "demos" and they are not licensed to you, and they may not be re-created in their current state. You may *not* re-sell this collection or transfer it to any third-party as a purchased license is a single-user license and non-transferable.

All copying, lending, duplicating, re-selling, renting, uploading, file sharing or unauthorised trading of this content (or any part of this content) is prohibited by international copyright law. Pure EDM will not hesitate to take legal action against any persons, company or individuals who fail to adhere to the terms of this legal agreement.

If you have any questions about this license or you wish to report an individual who has flouted the terms of this agreement, then please contact us.
